## Daisy Journey: Between Earth and Sky

### Firefly Award

Description	In our Edible Schoolyard, the girls explore seeds, design a seed collage and discuss each girl's unique skills and abilities.
Pathway	This <i>It's Your Plant – Love It!</i> event pathway will complement the Firefly Award in the Daisy Journey Between Earth and Sky.
Cost	\$10.00 per girl
Min/Max	10/20
Location	Greensboro Children's Museum
Duration	1.5 hours
Program Level	Daisy Program

#### **Brownie BETWEEN EARTH AND SKY – FIREFLY AWARD:**

##### **Step 1: Seed Exploration**

- The girls explore living the Girl Scout Law and expand their knowledge of seeds. We'll learn about how seeds vary in size, shape, color and texture, and use a variety of different seeds to create a collage.
- Next, we'll head outside into The Edible Schoolyard to plant seeds in the garden, helping to take care of Planet Earth.

##### **Step 2: Discovering Similarities and Differences**

- Girls discuss similarities and differences, considering their own special skills and the unique traits of plants in the garden. The girls explore The Edible Schoolyard to find different textures and make a rubbing (i.e. tree bark, stone).

##### **Step 3: Identification of Special Skills**

- Each girl identifies one of her unique abilities, and presents her garden artwork and unique ability to the group. Through this process, we'll practicing public speaking skills and work on building self-confidence.

Call Stephanie Ashton at 336.574.2898 ext 320 to schedule your group.
