

# eMembership app: how-to guide

**Follow the steps below to set up your eMembership!**

1. Open either Google Play on your Android, or the App Store on your iPhone.

2. Download the free app.

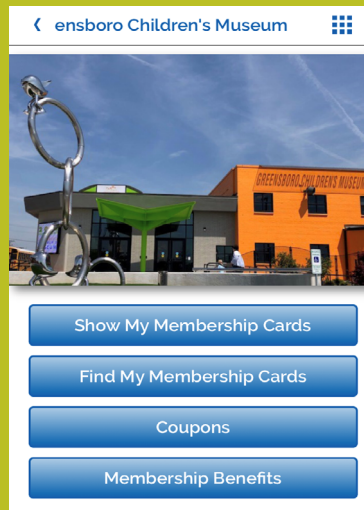

3. Within the app, click the Greensboro Children's Museum tile. The museum list is based on location, so GCM should be near the top of your screen without searching.

## Continue to follow the steps below.

### 4. Click "Find My Membership Cards."

### 5. Type in your member number, or phone number associated with your account, and your last name.

A screenshot of the "Find Membership Card" search form in the app. The title bar shows a back arrow and the text "Find Membership Card". Below the title bar is the instruction "Search by Membership # Or Phone #". There are two input fields: the first is labeled "Membership # Or Phone #" and the second is labeled "Last Name\*". Below the input fields is a blue button with the text "Find". At the bottom of the form is the Greensboro Children's Museum logo, which includes the text "GREENSBORO CHILDREN'S MUSEUM" and the tagline "everythingimaginable" below it.

6. You only need to sign into your account once. All your information is saved and will show up when opening the app again. Just remember to click on the Greensboro Children's Museum tile at the top of your screen, and click "show my membership cards" on the following screen. You also have the option to download the card to your digital wallet.
